

# 2024 Leader's Guide

---

Camp Bowman  
Goshen Scout Reservation

Welcome to Beautiful Camp Bowman at the Goshen Scout Reservation! We are so excited to host your unit for a wonderful week of Scouting.

To assist you in pre-camp preparations, as well as during your stay at camp, we have assembled this guide to help you become better acquainted with Bowman and all our programs. We have also included printouts that will be helpful on your arrival and throughout your week with us.

If you have any questions about this guide or your week at Bowman, please do not hesitate to contact us directly at [camp.bowman@gotogoshen.org](mailto:camp.bowman@gotogoshen.org). For our returning units, please carefully review this guide, which contains plenty of new information regarding changes to schedules, policies, and procedures for the 2024 camping season.

This guide is a supplemental, camp-specific guide to the “**Goshen Scout Reservation Leader Guide.**” For information regarding registration, standards of conduct, camp services, merit badge sign-ups and prerequisites, and more, please review the Goshen Scout Reservation Leader Guide, available on the Goshen Scout Reservation Forms and Downloads webpage, [gotogoshen.org/information/forms-downloads](http://gotogoshen.org/information/forms-downloads).

We sincerely appreciate your continued support and leadership in Scouting, and we thank you for your service to the Scouts and our program. Thank you for taking the time to read through this guide. We look forward to seeing you and your Scouts this summer!

Yours in Scouting,

## Contact Information

Verizon is the only carrier that has reliable service at the Goshen Scout Reservation. All other carriers have little or no coverage in the area. We strongly recommend that youth participants leave cell phones at home.

**Office Phone Number:** Will be posted on the website in June and emailed to you prior to camp

**Mailing Address:** Participant Name, Unit Number  
Camp Bowman  
Goshen Scout Reservation  
340 Millard Burke Memorial Hwy  
Goshen, VA 24439

## Preparing for Camp

**Two weeks before camp:** You will receive a copy of our check-in form via email. This is due, at the latest, one week prior to your arrival at camp. The information in the check-in form is essential for us to provide all units with a smooth and enjoyable stay at Camp Bowman. Your attention to this deadline is greatly appreciated.

On the “Check-In Form” page, please provide:

- **Updated unit contact information** - Sometimes the unit leader in charge at camp is different from the leader that registered for camp, so please let us know the unit’s best contact details.
- **Patrols**
  - Number of patrols coming to camp
  - Names of each patrol
  - Number of Scouts in each patrol
  - Number of adults attending camp
  - Number of people eating in each patrol (if adults will eat with Scouts)
- **Food and allergy concerns** - This is vital for our food service staff to know in advance of your arrival. Changes to meals can take time to process as orders are prepared well in advance. Please advise if anyone with dietary restrictions will bring their own food.
- **Campsite preference** - Please include this information even if you entered it in your online registration. Although we will do our best to accommodate your preferences, placement at a specific campsite is not guaranteed.

On the “Unit Roster” page, please list all Scouts and leaders who will be attending camp, and the day they will arrive and depart.

**One week before camp:** We will contact you to confirm the above information, check in with your unit, and answer any questions. We will review your check-in form to confirm all information is up to date.

**11:00am on your arrival day:** Call or text camp leadership at the camp phone provided by email to confirm your arrival time.

**Upon arrival:** Your site guides will meet you in the parking lot and direct you to your site, where you will have a short time to unpack. Your site guide will then ask you to change into swim clothes and take you to med checks, swim checks, and a camp tour.

## Program Offerings

At Camp Bowman we offer a fun, educational, and safe program for our campers. **We are very excited to announce that our program offering will grow this year!** In addition to many of the same merit badge classes that Bowman has always offered (and some new ones!), program areas will offer area-specific guided activities that focus on fun and skill-building rather than specific merit badge or rank requirements. Pioneering challenge hikes, chess duels, and trivia nights are just a few examples!

### Program Schedule Overview

#### Merit Badge Classes

Camp Bowman's merit badge program begins Monday morning and lasts until Friday at lunch. Most merit badge classes meet once a day during a 50-minute block. Multiple sections of merit badges in high demand may be offered; there is no difference in the activities completed.

- **Morning blocks (9:00-9:50am, 10:00-10:50am, 11:00-11:50am)**
  - Monday-Friday (5 sessions total); more intensive merit badges
- **Afternoon blocks (2:00-2:50pm, 3:00-3:50pm, 4:00-4:50pm)**
  - Monday-Thursday (4 sessions total); less intensive merit badges

Shooting Sports merit badges (Archery, Rifle Shooting, and Shotgun Shooting) require two sessions per day. Archery A, Rifle A, and Shotgun A meet both from 9:00-9:50am and from 2:00-2:50pm. Archery B, Rifle B, and Shotgun B meet both from 10:00-10:50am and from 3:00-3:50pm. **Scouts enrolled in these programs may not schedule other merit badges during either of the two sessions.**

Visit [gotogoshen.org/camps-programs/camp-bowman/#downloads](https://gotogoshen.org/camps-programs/camp-bowman/#downloads) for a complete program schedule.

#### Guided Activities

**NEW IN 2024:** Program areas will offer a different guided activity each day during the 7:00pm evening program block. These activities will focus on fun and skill-building rather than specific merit badge or rank requirements. Some will satisfy specific requirements for merit badges -- we will be happy to verify partial completion of those merit badges. Due to staffing and safety requirements, neither Aquatics nor Shooting Sports will offer a guided activity, but both will offer open program during this time. Some activities will change from week to week based on staffing and enrollment, so a final schedule will be provided to you upon your arrival at camp.

#### Bowman Brigade

**EXPANDED IN 2024:** Bowman Brigade is our first-year camper program. It provides a more accessible introduction to Scout camp, and helps younger Scouts earn a few merit badges while also practicing the basics of the patrol cooking method and participating in various open programs. This

year, Bowman Brigade will be divided into two sections: merit badge classes and Path to First Class. More information about the Bowman Brigade program and a full schedule can be found at [gotogoshen.org/camps-programs/camp-bowman/#downloads](http://gotogoshen.org/camps-programs/camp-bowman/#downloads). **Bowman Brigade is strongly recommended for Scouts new to the Scouting program**, as it helps younger campers connect with others outside of their unit and encourages them to experience the many different parts of camp.

## Open Program

Open programs are typically offered during the evening block (7:00-7:50pm on Monday, Wednesday, and Thursday). These allow campers to drop in to program areas and participate in a less structured environment. Some open programs at the Aquatics and Shooting Sports areas are also offered at other times, as noted below.

- **All areas**
  - Merit badge make-up time, if Scouts need additional time to work on requirements (*by appointment with instructors*)
- **Aquatics**
  - Instructional Swim
    - 9:00-9:50am, 10:00-10:50am, 11:00-11:50am
  - Open Boating (*not available on Thursday at 7:00pm due to Mile Swim*)
    - 3:00-3:50pm, 4:00-4:50pm, 7:00-7:50pm
  - Open Swim (*not available on Thursday at 7:00pm due to Mile Swim*)
    - 2:00-2:50pm, 3:00-3:50pm, 4:00-4:50pm, 7:00-7:50pm
  - Mile Swim Award
    - Sunday, Monday, Wednesday, and Thursday at 7:00pm
- **Culturecraft**
  - Open Chess
- **Handicraft**
  - Open Crafting
- **Scoutcraft**
  - Totin' Chip (Monday and Thursday)
- **Shooting Sports**
  - Open Shoot
    - 11:00-11:50am: archery, rifle, shotgun
    - 4:00-4:50pm: archery, rifle, shotgun
    - 7:00-7:50pm: archery, rifle

## Goshen Scout Reservation Program and Prerequisite Guides

Some merit badges have requirements which cannot (or should not) be completed at camp. These requirements may be completed before or after camp. In order to complete these badges at camp, the scout must show evidence of completion of the prerequisites. The Goshen Scout Reservation "Scouts BSA Program Guide and Prerequisites" provides descriptions for each merit badge class and prerequisite requirements. Please see your individual camp's program schedules for merit badge offerings. The Prerequisite Guide and Program Schedule can be found on the individual camp webpages and at [gotogoshen.org/information/forms-downloads](http://gotogoshen.org/information/forms-downloads).

## GSR Camp Adventure Award

Each unit in camp has the opportunity to bring home the “Camp Adventure Award.” The Camp Adventure Award reflects a unit’s commitment to participating in camp programs and opportunities and involvement as a member of the camp community. A unique ribbon will be presented to these units who have gone the extra mile to participate in the overall camp program. Learn more about how to earn the Camp Adventure Award at [gotogoshen.org/information/forms-downloads](http://gotogoshen.org/information/forms-downloads).

## Equipment and Meal Information

Camp Bowman is proud to be one of few Scouts BSA camps in the world to offer a meal program exclusively based on patrol cooking, meaning that Scouts cook and clean all their own meals as patrols. Units are welcome to bring their own tools and utensils, but we are happy to provide all items necessary to fully participate in our patrol cooking program.

The quartermaster distributes all supplies and tools for the camp and is located between the trading post and the commissary. The quartermaster is equipped to assist your unit with projects you wish to complete while at camp, in addition to stocking basic supplies. We ask that you return tools as soon as you are done with them to allow others to use them as needed.

Hours of operation will be posted on the quartermaster's door. If you need something outside of open hours, stop by the administration building and we will be happy to help. Please treat all of Bowman's equipment with respect by bringing items back in the same condition you received them.

### Equipment Provided to Every Patrol

## Meals

Meals at Camp Bowman are provided in a “patrol cooking” style. In patrol cooking, units cook their meals using ingredients provided by the Reservation. Ingredients for each meal are picked up at the commissary during the hours specified below. The ingredients are then taken back to the campsite and prepared by campers (all meat is pre-cooked to meet safety standards) according to cooking instructions or to the preference of the patrol members. Dirty dishes should be cleaned using the three-pot method. All trash/waste needs to be thrown into the camp dumpster behind the commissary after EACH meal.

For the most recent patrol cooking menu, please visit [gotogoshen.org/information/food-menus](http://gotogoshen.org/information/food-menus).

Proper food handling is important for keeping participants healthy at camp. We recommend correct procedures for the washing and rinsing of cooking materials. Clean up soon after prepping and cooking food. Throw away all trash in the camp dumpster after all meals.

**Do not store food in the chuck box.** The chuck box is not mouse-proof. If any type of food is stored, it will attract mice and other animals. If your unit has brought food, please store it properly in the provided bear box or in your vehicles.

## Food Pick Up Times

Breakfast: 7:00am

Lunch: 12:00pm

Dinner: 5:00pm

Two Scouts from each patrol should be designated to pick up the food for each meal and will need to have their unit number and patrol name for food pick-up.

## Food Allergies and Dietary Restrictions

Food allergies and dietary restrictions must be indicated as part of your unit registration. Please indicate dietary needs under each participant’s information on the online registration system. Our Food Service staff will do their best to accommodate all food allergies and dietary restrictions but cannot be held accountable for the management of these allergies. Notice of severe dietary restrictions should be shared with your camp’s administrative team **at least 2 weeks** prior to your Scout’s arrival at camp.

## Campsite Inspections

Our Facilities Team will conduct daily inspections of each campsite to ensure they are kept clean and safe. At the end of each day, the unit with the highest inspection score will be bestowed with the Honor Oar. They will have until the following evening to decorate a portion of the oar in some way. Inspection criteria are listed below.

# Campsite Inspection Criteria

## 1. Tents

- a. Ensure flaps are uniform throughout the patrol site, whether open or closed.
  - i. **Tents will be inspected regardless of flap position.**
- b. Tents must be neat and orderly. Keep in mind any trash in and around the tent.
- c. The walkway between the cots must be clear. **No trash or food in tents.**

## 2. Safety

- a. Axe yard must be clearly marked and a safe distance from the patrol site.
- b. Food should not be left out unsupervised as it attracts unwanted animals.
- c. Ensure any clothes lines are at a safe height (5 feet) and out of walking paths.
- d. **Propane tank must be turned off.**
- e. Tools must not be lying on the ground.
- f. Fires require supervision at all times and should be put out after use.
- g. Unit vehicles except trailers are not permitted to be parked in sites after arrival is complete.

## 3. Camp Improvements

- a. Use Scouting skills to create pioneering or other projects that look interesting and have practical applications.
- b. Start the week out doing smaller projects (clothes lines, axe yards, tool racks, trash bag tripods, etc.) and keep building more and bigger improvements throughout the week (such as flag poles, gates, or even towers). Build safely and do not climb above 5 feet.
- c. Permanent improvements must be approved in advance by camp administration.

## 4. Fire Guard

- a. "Fireguard" sheet must be posted on latrine in plain sight.
- b. Daily slot is filled out with the name of the designated fire warden.
  - i. Designate a fire warden for each day at the beginning of the week and fill in the fireguard sheet accordingly on the first day.
- c. The designated fire warden should sign their initials on the "Equipment Check" box on their designated day signifying they are taking responsibility from the previous fireguard.
  - i. Make sure the fire bucket is full of water by the latrine.
  - ii. Fill and overflow the fire bucket daily to prevent mosquito breeding.

## 5. Chuck Boxes and Cooking Area

- a. All stoves must be clean.
- b. Cookware should be clean and stored in chuck boxes.
- c. **Edible items (food, condiments, seasonings, cooking oil) must be kept in the bear boxes.**
- d. Any unused perishable food items that may go bad should be thrown away after each meal.
- e. Dispose of washtub water by pouring it into the latrine. Dispose of the rinsing and sanitizing tub water by pouring it down the sink.

## 6. Latrine

- a. The latrine should be washed at least daily, with toilet lids left closed.
- b. No toilet paper or trash should be on the ground in or around the latrine.
- c. The sink should be clean and personal items should not be left out.
- d. Disconnect any water hoses from the faucet after use.

## 7. Overall Appearance/Trash and Tails

- a. Sites and trails to and from the sites should be clean and tidy with no trash on the ground.
- b. Remove all trash **after every meal** and after any evening snacks or desserts. Trash should be taken to the dumpster at least three times a day.
- c. **All smellables must be in the bearbox or removed from the site.**

# Amenities

*\*Pocket knives will only be sold to youth with an adult, along with proof of their Totin' Chip and permission from their unit leader.*

## Leaders' Lounge

The administration building houses the Staff and Leaders' Lounge in addition to the first aid room and administrative offices. The administration building is located at the center of camp near the parking lot. Leaders' Lounge hours are from 9am-10pm except during staff meals (12:30-1:00pm and 6:00-6:30pm). The Leaders' Lounge is equipped with a coffee machine, restrooms, tables for working, and wireless Internet. Masks may be required in the Leaders' Lounge, depending on camp policy.

## Internet Access for Leaders

We recognize that many adult leaders will need access to the Internet for work while at camp. The administration building is equipped with Wi-Fi; due to the remote nature of the camp and the needs of staff and other leaders, we ask that you use the Internet respectfully and only as needed.

## Showerhouse and Bathrooms

The showerhouse is located adjacent to the Parade Field. The showerhouse contains individual showers and individual bathrooms with running water, including an accessible shower with extra space. We ask that youth campers not use the bathrooms at the showerhouse and instead use the latrines at their campsite.

The showerhouse is open between 7:00am and 10:00pm, except between 1:00pm and 2:00pm for daily cleaning. Youth campers must go to the showerhouse in a group accompanied by adult leaders and must comply with Youth Protection Guidelines. Phones and cameras of any kind are strictly prohibited at the showerhouse.

## Emergency Procedures

In case of an emergency at camp, your unit needs to be prepared for our emergency procedures. If an emergency alert should occur, you will hear either a **fire bell** or an **air horn**.

### Fire Bell Alert

The fire bell is located next to the administration building and can be heard throughout camp. The fire bell is used for fires, evacuation, and disseminating important emergency information. We hold a fire drill on Monday of each week.

*Response:* Send two leaders to the Parade Field. All other campers and leaders stay in their sites. Scoutmasters take attendance and confirm with camp administration that all campers and leaders are present. Further instructions and information will be provided at the Parade Field.

### Air Horn Alert – Lost Swimmer

The air horn will sound from the waterfront in the event of a potential lost swimmer. Nine loud air horn blasts will signal this emergency: three each to two neighboring camps, and three towards the center of Camp Bowman.

*Response:* Quickly move to the closest program area, staffed facility, or campsite and remain there until the “all clear” is signaled by a single, loud air horn blast. Stay away from all roads and trails to allow camp and emergency vehicles to move quickly.

### Weather Emergencies

In the case of extreme weather, hearing a signal could be difficult. Staff members will inform units directly of potential bad weather. On the side of each latrine is a copy of our Emergency Action Plan for weather emergencies; this will tell you where the emergency shelter is located for your campsite.

*Response:* Go to or stay in your site as directed by camp staff. Secure your gear and await further instructions. We will send out staff members with updates as needed, but if conditions change quickly, use your judgment and proceed to your designated shelter if threatening conditions exist.

### Lost Camper

If you notice that one of your Scouts is unaccounted for, please report to the administration building and inform the camp director or program director of the missing Scout’s name as well as where they were last seen.

*Response:* Staff and unit members will mobilize to locate the lost camper, first by checking near where they were last seen as well as other likely locations. From there we will fan out and check a wider and wider radius until the camper is found.

## Camp Bowman Unit Packing List

- All campers' (Scouts and leaders) [Scouts BSA medical forms](#) (requires exam by medical practitioner)
- Scout schedule timetable
- Leader's Guide for each leader
- Individual Scout schedules (optional; printable in Black Pug)
- Unit first aid kit
- Paper/notepads and writing utensils
- Rope/twine
- Firestarters (optional; min. 15 per patrol for meals + 3 per unit for campfires)

***While the following equipment is provided, some units may prefer to bring their own.***

- Chuck boxes (1 per patrol preparing meals if not using quartermaster's equipment)
  - Spoon/ladle
  - Meat fork
  - Tongs
  - Large frying pan
  - Medium frying pan
  - Hot pot tongs
  - Large pot
  - Medium pot
  - Small pot
  - 3 metal plates
  - Measuring cup
  - Cutting board
  - Spatula
  - Large knife
  - Paring knife
  - Utensil cover
  - 3 wash bins
  - Dish soap

## Other Important Information

### Buddy System

We require that youth participants always follow the buddy system while at camp. Please help participants plan so that they can travel to and from program areas with their buddy, and make sure that participants have a buddy when traveling around camp. Youth and leaders must follow Youth Protection Guidelines at all times.

### Site Guides

One or more staff members will be assigned to be your site guide for the week. Their duties include being a liaison between the unit and camp staff, in addition to assisting and guiding your unit throughout the week. If you have any questions or needs while at camp, your site guide(s) will visit your site daily and are there to be a resource for your unit. If you have issues reaching your site guide while at camp, please let the camp administration team know.

### Participants with Special Needs

We will make any necessary accommodations to provide a welcoming and positive program for all participants. Please contact us at least 2 weeks in advance of your arrival so we can work with you to develop a plan to provide the best possible programming.

### First Aid

The first aid station is located on the side of the administration building and is staffed by a trained first aider, available 24/7. In the case of an emergency at night, wake up the on-duty staff member(s) in the first aid room. More information for first aid procedures, including the Reservation Health Lodge for more serious injuries, can be found in the Goshen Scout Reservation Leader Guide at [gotogoshen.org/information/forms-downloads](http://gotogoshen.org/information/forms-downloads).

### What to Bring to Camp

Please see the Scouts BSA Equipment List at [gotogoshen.org/information/forms-downloads](http://gotogoshen.org/information/forms-downloads). We recommend that campers DO NOT bring electronics, including video games, cell phones, smart watches, etc. There is a high chance of these items getting lost, broken, wet, etc. while out in the woods. Plus, you'll be having too much fun to want them!

### Parking

We have a limited amount of parking in our camp parking lots. We encourage units to carpool to reduce their vehicle footprint. Vehicles may drive to the campsites using our interior service roads during arrival and departure only. Outside of those times, vehicles (except trailers) should be left in the parking lot unless otherwise approved by the camp director. Any vehicles other than trailers parked in sites during arrival or departure must park them off of any service road or trail in case of emergency.

## Goshen Bus Service

Interested in taking a bus to camp? The Goshen Scout Reservation offers a shuttle bus service to and from the Fairfax Government Center (Fairfax, VA) and Largo Plaza (Largo, MD). Units with at least 45 participants are also eligible for a bus to be sent to a location of their choice. Learn more about the Goshen Bus Service at [gotogoshen.org/information/transportation](http://gotogoshen.org/information/transportation).

## Trailers

We encourage units to bring trailers to camp if they wish to do so. Trailers are permitted inside the campsites to allow units to easily access their gear or any other items they brought to camp. All sorts and sizes of trailers can fit inside of our campsites. Should you need assistance on where to park or how to angle your trailer inside your campsite, please ask your site guide(s) for advice from camp administration. Trailers are permitted in the sites throughout the week. All other vehicles, including the vehicle towing the trailer, should be parked in the camp parking lot once arrival is complete.

## Leaving Camp

All camp attendees (youth and leaders), must check in and out of camp if you exit the camp for any reason. There is a sign-in/sign-out log in the administration building. You will need to sign this if you are heading into town, to another camp, to COPE/Climbing/ATV, or to any destination out of Camp Bowman. In the case of an emergency, we will use this to determine who is in and who is out of camp. If every member of your unit is going out of camp, please write "Troop [number]" under the name column.

## Adult Leader Training Opportunities

During your stay at Camp Bowman, there will be a chance for adult leaders to earn Safety Afloat and Safe Swim Defense trainings. Other trainings may be offered depending on the week. Please check the Goshen website, [gotogoshen.org](http://gotogoshen.org), for more information and we will announce all training opportunities once you arrive at camp.

## **NEW IN 2024:** Adult Leader Challenge

The Goshen Scout Reservation "Adult Leader Challenge" is designed for leaders to experience the programs that the Goshen Scout Reservation has to offer by taking part in activities and trainings during their week at camp; and to recognize the tremendous contribution adult leaders make in the Scouting program. Completion of award requirements will be accepted on a Scout's Honor basis. Unit leaders should return a copy of the award form to camp leadership by Friday at noon. See how to complete the Adult Leader Challenge at [gotogoshen.org/information/forms-downloads](http://gotogoshen.org/information/forms-downloads).
