HOW IT WORKS

As a provisional camper, you'll be matched and placed with an attending unit. If there are enough other provisional campers, a provisional unit will be made. Provisional units, most common during Specialty Week, are comprised of provisional campers with trained adult leaders and staff members.

Campers from the same home Troops and Crews will be grouped together.

We do meals old school! Instead of a dining hall, we offer Patrol Cooking and Heater Stack (eat prepared meals in your site). When you register, you can tell us your preference and we'll do our best to match you up accordingly!

We also provide access to the programs at Camp Post—Climbing MB and COPE.
