Goshen Scout Reservation offers the very best in Webelos programs. Our six-day and night adventures prepare your Webelos to be fully successful in Boy Scouts. We offer an array of activity badges interspersed with outdoor activity to help Webelos become well-rounded.

WHAT’S THE DIFFERENCE BETWEEN THE TWO?

The major difference between these two is not in program, but rather in layout and feel. Camp Ross is very spread out and flat. It has a lot more open area, giving it a feel similar to that of a Cub Day Camp. Camp PMI is much more compressed, however it has a lot of hills and rocks. As it does not have as much open area, you feel very secluded within the woods. It all depends on which “feel” is right for you!

ABOUT CAMP PMI

Camp P.M.I. is a premier Scout camp that offers programs for all Webelos. It is nestled between two Boy Scout camps (Camp Marriott and Camp Bowman) and has access to amazing hiking trails that lead to spectacular views of Goshen Scout Reservation. Each year our camp chooses a theme which is interwoven in all of our activity areas. During your stay, Scouts will enjoy activities at Handicraft, Scoutcraft, Aquatics, Ecology, BB and Archery ranges, and a second year program for Webelos II’s.

Packs eat in a dining hall that serves hot and fresh meals every day. Our camp sites are equipped with canvas platform tents with two army style cots inside, and a dining fly. Throughout the week, scouts learn outdoor skills that are necessary for the scouting program as well as team work and confidence building exercises. You will have the opportunity to sign up for a variety of activity badges as well.

ABOUT CAMP ROSS

Camp Ross offers the classic favorites like swimming, boating, BB gun shooting, archery, tie dye, nature exhibits, fire building, team building exercises, dodge ball, and much more! We also have newer favorites like the HUMONGOUS water trampoline, Ross idol hunt, brand new craft project, balloon popping, and more.

Our goal at Camp Ross is to give Scouts a fun week and introduction to Scouting. We do our best to meet and exceed this goal for each and every Scout who attends.

Enjoy our new Dining Hall at Camp Ross!

VENTURING ADVANCEMENT CAMP
Camp Bowman is home to one of the only week long, resident Venturing Advancement Camps in the country. During the course of the week, Venturers will take sessions just like the Boy Scouts, that are designed and catered towards earning their Ranger Awards.

FIRST YEAR CAMPER (FYC)
The FYC Program is designed for the Scout who has recently joined a troop and has not been introduced to the Tenderfoot through First Class advancement requirements. In this program, the FYC staff take the first-years around camp to each of the different program areas and help them earn merit badges (Mammal Study, Leatherwork or Basketry, Swimming, and First Aid). They also teach skills needed to meet Tenderfoot, Second Class, and First Class requirements. Scoutmaster involvement is encouraged and always welcome. FYC grants access to many introductory badges and rank requirements while in a setting that yields a successful adjustment to camp for this special group of Scouts.

BOWMAN VETS
As Bowman Vets, older Scouts engage themselves in a variety of challenges, including mountain boarding, stand-up paddle boarding, wakeboarding, action archery, COPE and climbing, and a mini-ironman. The program will also include an overnighter that will test the endurance of the Scouts, as it takes them on a hike to higher altitudes and beautiful views to spend the night and return in the morning. An afternoon of ATV Riding is also available for Scouts age 16 and older. Merit Badges include Geocaching, Search and Rescue, and Water Sports. Due to high physical demands, we encourage Scouts to be 14 years of age or older to participate in the program.

ACTION ARCHERY
Action Archery challenges Scouts to combine archery skills with a hike into the woods, yielding alternative and challenging scenarios from the typical archery range setting. We require that Scouts have either earned the Archery merit badge, take it concurrently their week at camp, or be a part of Bowman Vets to participate in this program.

TROOP OPPORTUNITIES
Troop Rifle and Archery Shoots, Pirate’s Breakfast, and Polar Bear Swimming are all available at Camp Bowman to supplement merit badge program.

SERVICE PROJECTS
Service Projects are a great way to instill stewardship within your Troop or Crew.

IF YOU’RE ASKING YOURSELF WHETHER OR NOT YOU CAN SEND YOUR SCOUT TO CAMP WITHOUT ANY ADULTS, THE ANSWER IS YES! GOSHEN SCOUT RESERVATION IS PROUD TO OFFER ITS PROVISIONAL AND TRAIL TO EAGLE PROGRAMS TO MEMBERS OF THE NATIONAL CAPITAL AREA COUNCIL AND ALL OTHER SCOUTS INTERESTED IN A GREAT SUMMER CAMP PROGRAM AT A RESIDENT CAMP.

ABOUT PROVISIONAL CAMP

Scouts who have found that their units are not signed up for camp, cannot attend with their Troop, or Scouts who want to attend a second week are eligible to attend Camp Marriott as a Provisional camper. The Scouts are grouped together in a Provisional Troop and have the opportunity to experience all the activities that Camp Marriott has to offer. Leadership is provided by the camp and is a combination of trained adults and youth camp staff members whose main purpose is to ensure a safe, exciting, and fun week at camp.

Scouts may attend as many weeks as they want. Participants must be registered Boy Scouts. There is no minimum age requirement. Provisional Camp is available all six weeks at Camp Marriott.

INFORMATION FOR ADULTS

Adults are welcome to participate as volunteers and serve as a Provisional Scoutmaster or to just come with their child and have a good time.

ABOUT TRAIL TO EAGLE

Trail to Eagle is our most popular provisional program at Camp Marriott, which offers older Scouts the opportunity to enjoy a week of fun, advancement, and growth towards becoming an Eagle Scout. Our camp staff is joined by additional volunteer merit badge counselors who are experts specializing in a particular merit badge. Trail to Eagle gives each scout the opportunity to earn up to 6 Eagle-required Merit Badges and learn valuable leadership skills to bring home to their home troops and communities. This program is designed with a focus on both advancement and development as a leader. We emphasize quality instruction and activities to help the scouts truly become Eagle Scouts.

ADULT VOLUNTEERS

Adult volunteer responsibilities involve helping the staff with supervision in the sites and by being advisors to the Scout. Adult volunteers also have the opportunity to teach or assist in teaching a Merit Badge or Skills Workshop. The Skills Workshops supplement the Merit Badges by teaching topics that would be helpful to rising Life and Eagle Scouts, whether it be life skills, troop leadership, or another subject.

(ALL-TERRAIN VEHICLES)
THIS SUMMER AT GOSHEN SCOUT RESERVATION!

ABOUT

The program runs Monday through Thursday and is 4 days of excellent fun and adventure. Scouts in this course will complete the ATV Safety Institute’s Rider Course, a 16 lesson hands-on program designed for every level of rider from “never seen an ATV” to the most experienced riders. Scouts will learn how to ride safely, responsibly, and be “rider-active” while hill riding, performing emergency stopping and swerving, quick turns, and riding over obstacles. They will also learn about protective gear, regulations, where to ride, ATV maintenance, and environmental concerns. After the completion of the Rider Course, Scouts will receive ATV Safety Institute Rider Course completion cards and will spend the rest of the week riding a circuit track, the ATV range, a mud pit, and 25 miles of trails.

Riders must be at least 16 years old on the first day of class; it is recommended that they are strong enough to handle a 300-600 pound machine. Long sleeve shirts, pants that cover the shins, and boots that cover the ankles are required of all participants. It is recommended that participants also bring a bandana. Gloves, goggles and helmets will be provided but Scouts are free to bring their own.

Just a short hike away, our 60-foot high climbing tower and C.O.P.E. course reside at Camp Post.

About C.O.P.E.

C.O.P.E. is an acronym for Challenging Outdoor Personal Experience. Project C.O.P.E. is a series of interrelated events that challenge on an individual and group level.

Events are divided into four categories: initiative games, trust events, low elements, and high elements.

Project C.O.P.E. has eight objectives:

- Teamwork
- Self Confidence
- Trust
- Leadership
- Communication
- Decision Making
- Problem Solving
- Planning

Project C.O.P.E. courses typically include open areas for games and trust events and a series of low and high elements. The concept of “challenge by choice” encourages each person to participate fully while maintaining the right to opt-out of any individual part of the program.

Games introduce teamwork concepts while also serving as warm-up exercises. Trust events further the teamwork development while also developing risk-taking from low to higher elements.

Low elements can include a wall, spider web, and other cable and rope combinations that involve teamwork relatively close to the ground. High elements are generally individual events involving climbing to heights of 20-30 feet, crossing cables, etc. Each element - low or high - is carefully spotted or belayed to minimize danger while still challenging the individuals to challenge personal levels of risk-taking.

About Climbing Merit Badge

Climbing merit badge instruction occurs near the C.O.P.E. course. Scouts should be at least 13 years of age to participate. Classes run Monday through Friday and are 90 minutes long.

Goshen offers adult training courses including:

- Leave No Trace
- Leader Specific Training
