Goshen is the National Capital Area Council’s long-term resident summer camp located on 4,800 acres in the Appalachian Mountains of southwestern Virginia. There are six separate camps positioned around the property along the shores of 450-acre Lake Merriweather. There are over 35,000 acres of adjacent National Forest and State Wildlife Lands. All camps are accredited annually by the Boy Scouts of America and must also meet State of Virginia Health Department requirements.

**Here’s What We Have to Offer:**

- **Webelos Base Camps:** Camp Ross & Camp PMI
- **Scouts BSA Base Camps:** Camp Olmsted, Camp Bowman, and Camp Marriott
- **Lenhok’sin High Adventure**

Camps Bowman, Marriott and Olmsted are the Scouts BSA Camps and offer a wide variety of experiences for Troops, including stellar First-Year Programs, Older Scout Adventure Programs and a full catalog of merit badges to earn. Camps Ross and PMI are centered on the Webelos experience and primarily serve as an opportunity for youth to prepare to bridge into Scouts BSA. Lenhok’sin Trail High Adventure will push older Scouts to their limit where their minds and mettle are tested in the wilderness of Goshen.
About Camp PMI

Camp PMI is a premier Scout camp that offers programs for all Webelos. It is nestled between two Scouts BSA camps (Camp Marriott and Camp Bowman) and has access to amazing hiking trails that lead to spectacular views of Goshen Scout Reservation. Each year our camp chooses a theme which is interwoven in all of our activity areas. During your stay, campers will enjoy activities at Handicraft, Scoutcraft, Aquatics, Ecology, BB and Archery ranges, and a second year program for Webelos II’s.

Packs eat in a dining hall that serves hot and fresh meals every day. Our camp sites are equipped with canvas platform tents with two army style cots inside, and a dining fly. Throughout the week, campers learn outdoor skills that are necessary for the scouting program as well as team work and confidence building exercises. You will have the opportunity to sign up for a variety of activity badges as well.

About Camp Ross

Camp Ross offers the classic favorites like swimming, boating, BB gun shooting, archery, tie dye, nature exhibits, fire building, team building exercises, dodge ball, and much more! We also have newer favorites like the HUMONGOUS water trampoline, Ross idol hunt, brand new craft project, balloon popping, and more.

Our goal at Camp Ross is to give Scouts a fun week and introduction to Scouting. We do our best to meet and exceed this goal for each and every Scout who attends.

Enjoy our new Dining Hall at Camp Ross!
VENTURING
ADVANCEMENT CAMP

Camp Bowman is home to one of the only week long, resident Venturing Advancement Camps in the country. During the course of the week, Venturers will take sessions just like the Scouts, that are designed and catered towards earning their Ranger Award.

BOWMAN BRIGADE

The Bowman Brigade Program is designed for the Scout who has recently joined a troop and has not been introduced to the Tenderfoot through First Class advancement requirements. In this program, the Bowman Brigade staff take the first-years around camp to each of the different program areas and help them earn merit badges (Mammal Study, Leatherwork or Basketry, and Swimming). They also teach skills needed to meet Tenderfoot, Second Class, and First Class requirements. Scoutmaster involvement is encouraged and always welcome. Bowman Brigade grants access to many introductory badges and rank requirements while in a setting that yields a successful adjustment to camp for this special group of Scouts.

ACTION ARCHERY

Action Archery challenges Scouts to combine archery skills with a hike into the woods, yielding alternative and challenging scenarios from the typical archery range setting. We require that Scouts have either earned the Archery merit badge, take it concurrently their week at camp, or be a part of Vets to participate in this program.

TROOP OPPORTUNITIES

Troop Rifle and Archery Shoots, Pirate’s Breakfast, and Polar Bear Swimming are all available at Camp Bowman to supplement merit badge program.

SERVICE PROJECTS

Service Projects are a great way to instill stewardship within your Troop or Crew.

LENHOK’SIN
High Adventure

About

Lenhok’sin High Adventure is Goshen Scout Reservation’s nationally accredited high adventure program. The program offers Scouts, Venturers, Explorers, and their adult leaders exciting high adventure opportunities they will enjoy and remember forever. The staff at Lenhok’sin will work with you to customize a trek based on your Crew’s interests.

Lenhok’sin is a trail camp. In addition to visiting Lenhok’sin staffed outposts, crews have the opportunity to hike the 4,800 acres of Goshen Scout Reservation as well as some of the 35,000 acres of surrounding state wildlife game lands. Lenhok’sin offers week-long treks from Sunday to Saturday. Treks include a visit to 4 of our staffed outposts. We will work with your crew to design an itinerary that fits the interests and abilities of your crew.

Trail food is provided to you by the Lenhok’sin staff and prepared by your crew on the trail. Breakfasts and suppers are cooked meals and lunches are generally “no-cook” meals consisting of high protein foods.

Outposts:

• Caving
• C.O.P.E. High Elements
• Foxfire – explore 1920’s Appalachia including onsite blacksmithing where you can make your own tools
• Paddle Sports – Kayaking and Stand-Up Paddleboarding
• Mountain Sports – Mountain Biking and Boarding
• Mountain Man – 1800’s sustainable living
• Primitive – minimal program, a chance to explore the forest and hike to one of 5 prominent peaks
• Robin Hood
• Rock Climbing

Specialty Treks

Week-Long James River Canoe Expedition

Canoe the James River for 4 nights and 5 days and take in one of Virginia’s most scenic rivers. Add a service project to your trip and earn the requirements for the 50-Miler-Award. All medical checks and swim tests will be conducted on Sunday at Goshen Scout Reservation. We will outfit you with food and see to it that you are ready to hit the river on Sunday. Then, on Monday, your crew will travel to the James River to spend the next 5 days on the river. On Friday, return to camp, to clean up and enjoy a campfire with the rest of the Lenhok’sin crews, with final departure for home early Saturday morning.

About Provisional Camp

Scouts or Venturers who have found that their units are not signed up for camp, cannot attend with their Unit, or Campers who want to attend a second week are eligible to attend Camp Marriott as a Provisional camper. The Scouts are grouped together in a Provisional Unit and have the opportunity to experience all the activities that Camp Marriott has to offer. Leadership is provided by the camp and is a combination of trained adults and youth camp staff members whose main purpose is to ensure a safe, exciting, and fun week at camp.

Scouts and Venturers may attend as many weeks as they want. Participants must be registered in Scouts BSA or Venturing BSA. There is no minimum age requirement. Provisional Camp is available all six weeks at Camp Marriott and during Week 1 at Camp Olmsted.

Information for Adults

Adults are welcome to attend with their child. We ask that adults assist the Provisional Scoutmaster and staff with supervision of the provisional unit and provisional campers in the campsite and around the camp.

About Trail to Eagle

Trail to Eagle is our most popular provisional program at Camp Marriott, which offers older campers the opportunity to enjoy a week of fun, advancement, and growth towards becoming an Eagle Scout. Our camp staff is joined by additional volunteer merit badge counselors who are experts specializing in a particular merit badge. Trail to Eagle gives each scout the opportunity to earn up to 5 Eagle-required Merit Badges and learn valuable leadership skills to bring home to their home units and communities. This program is designed with a focus on both advancement and development as a leader. We emphasize quality instruction and activities to help the campers truly become Eagle Scouts.

Adult Volunteers

Adult volunteer responsibilities involve helping the staff with supervision in the sites and by being advisors to the Scout. Adult volunteers also have the opportunity to teach or assist in teaching a Merit Badge.

Visit GotoGoshen.org to register for camp!
About Venturing Advancement Camp

Camp Bowman’s Venturing program is operated in a standard resident camp style and offers opportunities for many of the Venturing Awards. For the most part, each day has the same set of activities with some special events. Resources for working on the Venturing Ranger Award and toward the Summit Award are available. Requirements are covered by staff in class and in specially arranged sessions and also by the Crew’s leadership in the campsite.

About Ranger Experience

Camp Marriott’s Venturing program focuses solely on the Ranger Award and allows Crews to build their own program based on their interests. With different adventure activities each day and a multi-day overnight experience option, campers will get a chance to learn, teach, and explore.

About Lenhok’sin High Adventure

Ready to test your skills in the outdoors? Leave base camp and go backpacking or canoeing on one of our high adventure treks. See page 8 for more information.
Come ride ATVs
(All-Terrain Vehicles)
THIS SUMMER AT GOSHEN SCOUT RESERVATION!

About
The program is a week of excellent fun and adventure with two opportunities to take part – a morning session or an afternoon session. Scouts in this course will complete the ATV Safety Institute’s Rider Course, a 14 lesson hands-on program designed for every level of rider from “never seen an ATV” to the most experienced riders. Scouts will learn how to ride safely, responsibly, and be “rider-active” while hill riding, performing emergency stopping and swerving, quick turns, and riding over obstacles. They will also learn about protective gear, regulations, where to ride, ATV maintenance, and environmental concerns. After the completion of the Rider Course, Scouts will receive ATV Safety Institute Rider Course completion cards and will spend the rest of the week riding a circuit track, the ATV range, a mud pit, and 25 miles of trails.

Riders must be at least 14 years old on the first day of class; it is recommended that they are strong enough to handle a 300-600 pound machine. Long sleeve shirts, pants that cover the shins, and boots that cover the ankles are required of all participants. It is recommended that participants also bring a bandana. Gloves, goggles and helmets will be provided but Scouts are free to bring their own.
Just a short hike away, our 60-foot high climbing tower and C.O.P.E. course reside at Camp Post.

About C.O.P.E.

C.O.P.E. is an acronym for Challenging Outdoor Personal Experience.

Project C.O.P.E. is a series of interrelated events that challenge on an individual and group level.

Events are divided into four categories: initiative games, trust events, low elements, and high elements.

Project C.O.P.E. has eight objectives:

- Teamwork
- Self Confidence
- Trust
- Leadership
- Communication
- Decision Making
- Problem Solving
- Planning

Project C.O.P.E. courses typically include open areas for games and trust events and a series of low and high elements. The concept of “challenge by choice” encourages each person to participate fully while maintaining the right to opt-out of any individual part of the program.

Games introduce teamwork concepts while also serving as warm-up exercises. Trust events further the teamwork development while also developing risk-taking from low to higher elements.

Low elements can include a wall, spider web, and other cable and rope combinations that involve teamwork relatively close to the ground. High elements are generally individual events involving climbing to heights of 20-30 feet, crossing cables, etc. Each element - low or high - is carefully spotted or belayed to minimize danger while still challenging the individuals to challenge personal levels of risk-taking.

About Climbing Merit Badge

Climbing merit badge instruction occurs near the C.O.P.E. course. Scouts should be at least 13 years of age to participate. Classes run Monday through Friday and are 90 minutes long.
