

2022 GOSHEN VETS

Offered at Camps Bowman, Marriott, and Olmsted, the Vets program allows Scouts to create their own schedules from a variety of challenges. Goshen Vets is designed to encourage scouts to take advantage of the unique and once in a lifetime adventures located around Lake Merriweather. It is the highest level of scouting offered at Goshen and is for exceptional scouts that have completed most merit badges and seek an extra challenge.

Goshen Vets is recommended for Scouts ages 14 and up and is based out of Camp Bowman.

HOW TO SIGN UP

To sign up for Vets in the online system, go to *9:00am Period 1* and select Vets from the list of Available Classes. Vets is an all day activity and will block off the rest of the day.
