# Welcome to Camp Ross!

Hello future Camp Ross Campers, Leaders, and Parents!

To assist your pack in pre-camp preparations, as well as during your stay at camp, we have assembled this guide to help you become better acquainted with Camp Ross and all of our programs. We have also included printouts that will be helpful for your arrival and throughout your week with you.

If you have any questions about this guide or your week at Camp Ross, please do not hesitate to contact us directly at [camp.ross@gotogoshen.org](mailto:camp.ross@gotogoshen.org). For our returning Packs, please carefully review this guide, as there is plenty of new information regarding changes to schedules, policies, and procedures for the 2025 camping season.

This guide is a supplemental, camp specific guide to the “Goshen Scout Reservation Leader Guide.” For information regarding registration, standards of conduct, camp services, and more, please review the Goshen Scout Reservation Leader Guide, available on the Goshen Scout Reservation website under “Forms and Downloads,” [www.gotogoshen.org/information/forms-downloads](http://www.gotogoshen.org/information/forms-downloads).

We sincerely appreciate your continued support and leadership in Scouting, and are looking forward to spending an incredible week together.

Ross is Boss!

Yours in Scouting,

# PRE-CAMP PLANNING

## Your Campsite

All campsites at Camp Ross come equipped with canvas tents on wooden platforms, two cots per tent, picnic tables, a shade fly, and a two stall latrine with a wash stand (and potable water). Campsite preference may be requested as a part of your Pack's registration, and are assigned within two weeks prior to your arrival at Camp Ross. We will do our best to meet your campsite request, but must consider the needs of all Packs attending Camp Ross at that time. Depending on the size of your Pack, you may share a campsite with another unit, however, you will have your own "subsite" within the Campsite just for your Pack.

Adults may be required to share tents with other adults of the same gender. (If leaders are not comfortable sharing a tent with another leader, they may provide their own tent and set it up within the site. Goshen Scout Reservation does not possess the resources to allow each leader to have their own tent).

## Spring Parent Meetings - Be Prepared!

We highly recommend hosting a pre-camp meeting with the parents of Scouts who will be attending Camp Ross with your Pack. This will allow you to review the camp program, camp medical and physical requirements, transportation arrangements, uniform requirements, and packing list.

### **Quartermaster (Q.M.)**

The Quartermaster is located between the Trading Post and Handicraft Pavilion. The Quartermaster is equipped to assist your unit with projects you wish to complete while at camp. Our Facility Director can assist you in deciding on your service project and gathering the required tools. If you need something outside of open hours, or the facility staff is temporarily out working on a project you can fill out a request slip located in the program office. Please treat all of Ross' equipment with respect by bringing items back in similar condition to which you received them.

What the Q.M. has for your unit:

Stop by the admin office to fill out a maintenance request form located on the facility directors desk. If it is emergent, inform any admin staff member who will quickly inform the FD.

For other basic supplies stop by the first aid station located on the side of the Administration building. There will be a staff member here 24/7 if you run out of materials in the middle of the night or need to get a hold of any admin staff member staff.

What the First Aid station has for your unit:

- Toilet paper, trash bags, and soap/sanitizer

## **PROGRAM SCHEDULE STRUCTURE**

Your Pack's program schedule while at Camp Ross is broken into two parts. On Monday and Tuesday, your Scouts will be introduced to the safety rules of each program area and participate in introductory activities. During the second remainder of the week, your Pack will have the ability to select the programs you are interested in participating in. Learn more about the program schedule structure below!

### **Monday & Tuesday**

Your Pack will receive a copy of your Monday and Tuesday program schedule during the week's first leader's meeting (Sunday evening). Throughout Monday and Tuesday, your Scouts will be introduced to each program area, traveling together and participating in programs as a group. We encourage leaders to use this time to take a pulse in their Scout's interests in each area to help form your decision on which activities your Pack will want to participate in the remainder of the week.

### **Wednesday, Thursday, & Friday**

The schedule for the second part of the week (Wednesday, Thursday, Friday) is based on what your Pack wants to do! At Monday's evening Leader's Meeting, you will submit a "request sheet" where your Pack will list activity preferences for the remainder of the week, including advancement opportunities and open programs. Other schedulable activities will include hikes to Viewing Rock and the Swimming Hole. We also encourage Pack's to reserve a "Shower Block," where the Shower House becomes designated to your Pack for the hour.

You will receive your Wednesday - Friday schedule at the Tuesday evening Leader's meeting. We will make every effort to accommodate your first choice schedule!

### **Program Schedule**

A copy of the most up to date Camp Ross Program Schedule is available for download at [www.gotogoshen.org/ross](http://www.gotogoshen.org/ross) under "Forms and Downloads."

### **Tracking Advancement**

Many of the activities at Camp Ross are not just fun - they also cover Adventures for Webelos and Arrow of Light ranks! Most times, Adventures are completed in full, but there are some opportunities that cover just a couple parts of Adventures.
