SUMMER 2026

BACKPACKING & CANOEING TREKS AT LENHOK'SIN HIGH ADVENTURE

JAMES RIVER CANOE TREK

Paddle down one of Virginia's most scenic rivers, on the upper James River Water Trail, on week-long white water canoeing trek. Spanning 63 miles from Iron Gate to Snowden Dam, navigate over 100 Class I rapids and 20 challenging Class II rapids, including the infamous Balcony Falls.

Bring your fishing pole and pick up dinner along the way. Camp nightly at established riverside campgrounds and add an optional river cleanup project to work towards the Scouting America 50 Miler Award.

LENHOK'SIN TRAIL TREK

Embark on a backpacking adventure on a week-long back country experience in Virginia's Blue Ridge Mountains. With a "plan your own adventure" structure, crews personally tailor the length and difficulty of their itineraries to best fit their experience level and goals.

While you're hiking, stop at our staffed outposts programs to experience high adventure activities including blacksmithing, black powder rifle shooting, caving, and more!
