Camp Ross at Goshen Scout Reservation

Welcome to Camp Ross!

Located at the Goshen Scout Reservation (Goshen, VA), Camp Ross is a week-long overnight summer camp experience for rising Webelos and Arrow of Light Scouts (Scouts entering 4th and 5th grade next Fall).

Summer Camp gives young people an opportunity to build the foundation of leadership skills and personal character that will stay with them and set them up for success later in life. At Camp Ross, our goal is to prepare Webelos and Arrow of Light Scouts for the next step in their Scouting experience - Scouts BSA!

Programs and Activities

Camp Ross has curated programs for all Webelos and Arrow of Light Scouts, including fun and advancement opportunities! Here, Scouts have the chance to do things they can't do at home.

- Swimming and Boating at **Aquatics**
- Range and Target Activities at **Archery** and **BBs**
- Crafting at **Handicraft** (including Tie Dye!)
- Explore the outdoors at **Nature**
- Learn Scout Skills at **Scoutcraft**
- Hike to **Viewing Rock**, Goshen's tallest peak!
- Cooling off at the **Swimming Hole**
- **Field Games** with your friends!

Summer Schedule

Camp Ross at Goshen Scout Reservation is open for six weeks from late June through early August. View this year's summer camp schedule at w**ww.gotogoshen.org/registration**.

Can't attend with your Pack? Join Phoenix Nest!

Phoenix Nest is Camp Ross's program for small groups with only 1 adult leader (21+) and up to 4 youth. Participants will be grouped with others in the program to form one "Pack" for the week. The pack will do activities together, share a campsite, and eat together in the Dining Hall.

Why Goshen Scout Reservation?

Year-round, Scouting America provides fun, life-changing experiences young people can't get anywhere else, but Scout summer camp takes it to a new level through an immersive Scouting experience.

At Goshen Scout Reservation, we give Scouts an opportunity to build the foundation of leadership skills and personal character that will stay with them and set them up for success later in life; all while exploring the outdoors and learning new skills!
